

## **SOCIAL COMMITTEE MEMBERS WANTED**

At Neutral Ground groups we hear it all the time..."I don't want to be alone on weekends", "I need to find something to do", "I don't want to be a third wheel with my married friends". The social committee is responsible for planning all the events to help keep us busy when we are not in our open and closed groups. Neutral Ground has found that along with our support groups getting together to socialize with each other helps the healing process.

***We are looking for people to join the committee to help plan social events for Neutral Ground.*** The social committee meets once a month for approximately a half hour before coffee at Neutral Ground. **We encourage everyone to participate in planning and joining our social activities. If you are interested in planning an activity, a member of the social committee will assist in selecting a date, making sure the event is included in our monthly newsletter and e-mail updates.** It is a great way to meet new people and help plan events for upcoming months. Meetings are held monthly, usually on the **1st Thursday evening at 6 pm at Neutral Ground.** Check the calendar to see when the committee meets for each month's meeting. We hope to see to you there.
